SUMMARY OF QUALIFICATIONS

For the last six months I have been working to achieve my certificate in Full Stack Web Development from SMT's Bootcamp series. Throughout the course I have been engaging, inquisitive, and willing to ask the hard questions. I am incredibly dedicated to increasing my technical skills and hope to prove myself soon.

KEY SKILLS
- **HTML/CSS**
- **JavaScript / JQuery**
- **Bootstrap**
- **Express**
- **Sequelize / MySQL**
- **Node JS**
- **React**
- **React-Router**
- **MongoDB / Mongoose**
